

# HOW POWERFUL ARE YOU?

**DEMOS KRATOS – PEOPLE POWER**

**MoAD Learning challenges you  
to show us...democracy in action.**

Old  
Parliament  
House

# WHAT DOES DEMOCRACY MEAN TO YOU? – inspire others by sharing your thoughts with US in a CREATIVE way!

MoAD Learning would like to invite your class to work together and submit one creative class response to your students' learning of Australian Democracy. The best of these artworks will become part of our entry exhibition for all school groups who visit us.

Perhaps your class could look at the ways they:

- Understand what democracy is (as individuals or groups)
- Depict what democracy means in Australia
- Participate in democracy in different environments home /school /wider community
- Believe/interpret why democracy is important
- Respond to the statement – 'democracy...are you in'?

## CREATIVE FORMAT

- The creative piece can be in any medium you wish but we would suggest one of the following- photography/ drawing/ digital/painting/ collage
- It is to be in A3 portrait format
- We will take a digital image of your submission and it may be displayed on our website

**Interested?**  
**Then we'd love  
to hear from you!**
